Log in to Demosphere, same ID, same password as normal.

You will see this kind of welcome screen (approx..):

🕞 Help
My Dashboard
Oemosphere Universal Experience
My Demosphere
My Account

Copyright 2012 Demosphere International, Inc.
* PROPRIETARY - FOR INTERNAL USE ONLY **

OPEN **Demosphere Universal Experience** (the above illustration SHOWS the Universal Experience already opened).

CLICK ON My Demosphere.

You will see a list of **My Active Teams:**

Scroll through this until you get to the current season (right now: Spring 23). Click on the team name AT THAT SEASON.

You will get a cute header with a bunch of names and info on it. Look for the THREE DOTS IN A CIRCLE AT THE VERY TOP (NOT the lower ones, at the very top like here):

SOCCER ASSOCIATION <				i DG
Teams				
retuin to big basi	HSG Rec Soccer - Spring 2023: INFO CALENDAR	REPORTS	STATUS TYPE - RECREATIONAL	GENDER AGE : ?
		ROSTERED STAFF		(1)
		Q Search	FILTERS: Add filters by clicking the ∇ icon within	column headers
		# NAME	RISK CONTACT	ROSTER STATUS

When you CLICK ON those dots you will see a printer or a gear. CHOOSE PRINTER:

When you **CLICK ON the printer**, it will give you a number of options on how to view the data (PRINT/SAVE PDF/EXPORT CSV)

Any of these will work, but I use **EXPORT CSV** – it comes out in a table that I can copy and paste from – names, emails, etc. Lots of good information.

Good luck!
