By Coach and/or Team Manager

A special login in from SYL is available for any Coach or Team Manager to access their Game Day Roster and/or enter their Match Report.

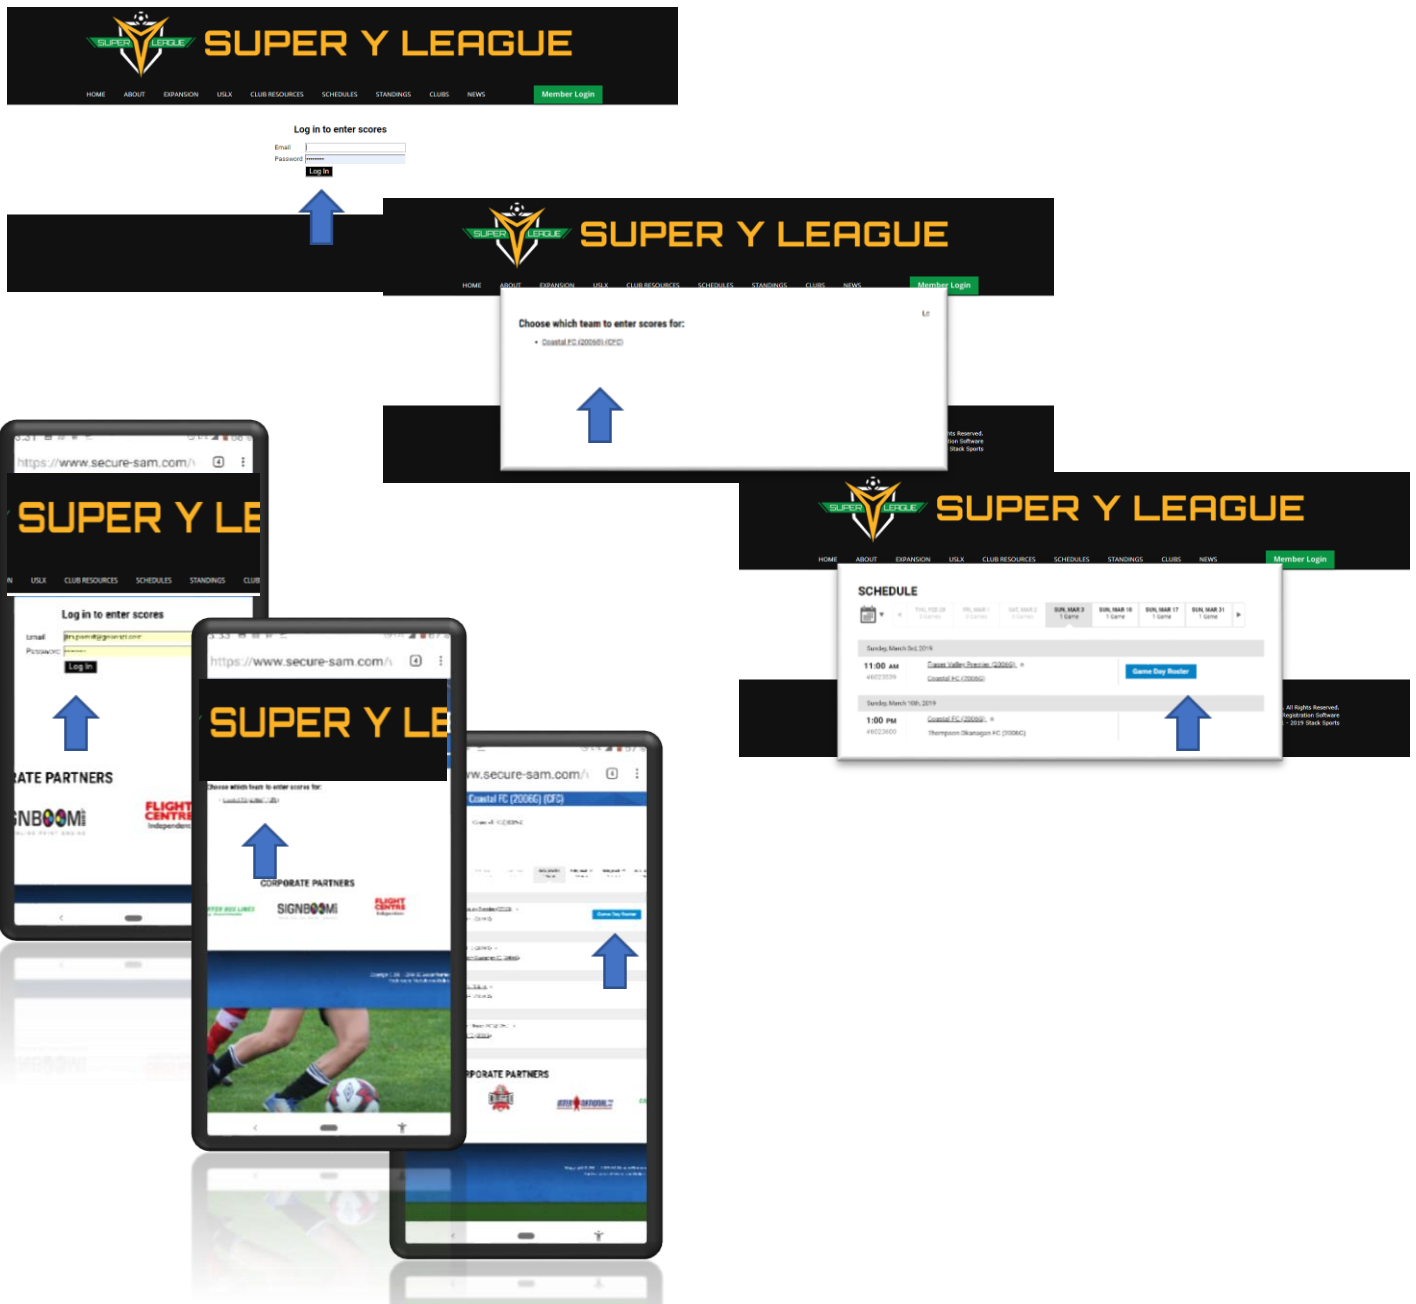

Game Day Roster will be available to print 3 days before the game and Scorecard button will appear after the game.

Go to: (on your desktop, laptop or browser on your phone)

<https://www.secure-sam.com/www.sylsoccerconnect.com/sam/standings/ss/login.php>

Coach or Manager will use their email and pin – Boys = 968423 Girls = 968403

You will view all teams on which you are rostered as Coach or Manager.

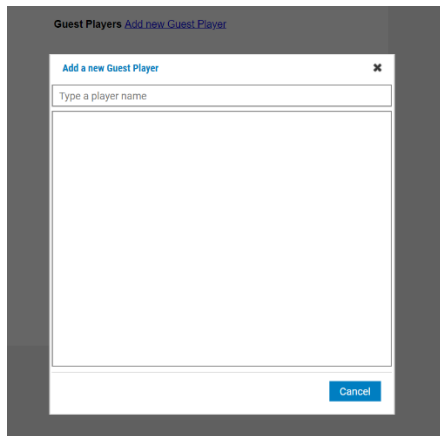

Options for adding Guest/Game Day Players

From your own Club

Search and add players to a roster...

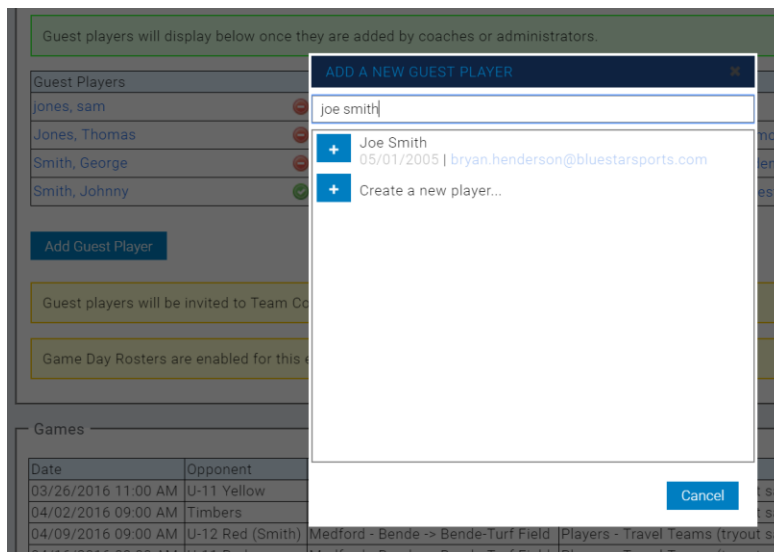

By a Coach or Team Manager

From the “Team Connect” edit roster or “Score entry” login edit roster – click “Add Guest Player” to search and add to roster for the season. Then selected by Coach or Team Manager when available to play.

By a Club Administrator

From the team page – click “Add Guest Player” to search and add to roster for the season. Then selected by Coach or Team Manager when available to play.

After Game - Match Reports

When your games are complete for the day, proceed to a team and find games at the bottom of the team page. Click on “scorecard”.

1. Enter Stats from Game Sheet into online copy of sheet. Note: Players and Coaches must be marked as Starter/Reserve/Present to enter Stats (Misconduct reported(cards) is verified against Referee Incident/Misconduct Reports)
2. Upload a photo of sheet to report
3. Click Submit

This can also be done by team managers or coaches from the public link or through the mobile application, “Team Connect”.

TIP: A Club Admin can add themselves as a team manager and then complete this report through the “Team Connect” mobile app with a mobile responsive entry form anywhere internet is available to their phone.
